

LEE CONTAINER'S

th

ANNIVERSARY

This special announcement is dedicated to the 20th anniversary of Lee Container Corporation to show appreciation to our customers and our family of employees. Inside this announcement, you will find a brief history of Lee Container outlining our major accomplishments over the last twenty years.

We will also highlight the key components that we feel have been instrumental in our success: Quality, Service and Technology. Most importantly, we would like to take this opportunity to thank our Customers and the Lee Container Family of employees that made it possible.

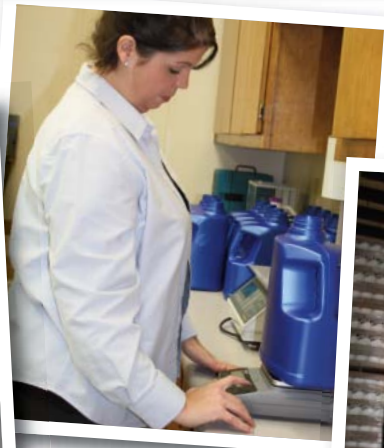

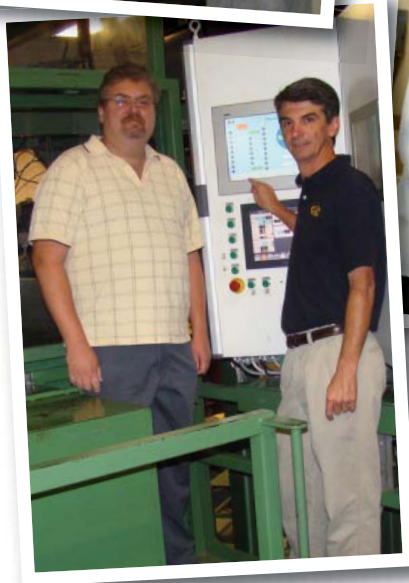

CUSTOMER SERVICE & DEDICATION TO QUALITY

LEE CONTAINER'S commitment to quality has earned the Company the Crystal Eagle Quality Award from ChevronTexaco's Lubricants division for "outstanding performance, excellent cooperation and unequalled service."

LEE CONTAINER CORPORATION:

FROM HUMBLE BEGINNINGS...

Lee Container Corporation started producing blow molded bottles in 1989 in a 60,000 square foot building in Valdosta, Georgia after acquiring the blow molding assets of Brockway Standard. In 1993 Lee moved corporate headquarters from Valdosta to Homerville, Georgia. Lee has grown from 4 production lines in 1989 to 26 today and opened two more manufacturing facilities in Texas and Iowa in 2006 and 2007. Today Lee has over 1.4 million square feet of manufacturing and distribution space.

TIMELINE

Opens second manufacturing site in Nacogdoches, Texas in 2006.

Awarded Partners in Quality Award from Syngenta in 2008.

Homerville, Georgia

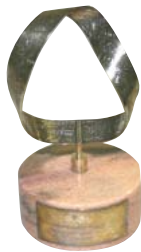

Acquires the Dollar General Warehouse in Homerville in 2004 to expand warehousing.

Nacogdoches, Texas

99 ————— 2004 ————— 2009

Awarded Georgia Manufacturer of the Year in 2003.

Awarded Supplier of the Year from Helena in 2004

Introduces the next generation of wheel technology in 2005 with the new and improved IR-4.

Centerville, Iowa

Opens its third manufacturing facility in Centerville, Iowa in 2007.

OUR BUSINESS PHILOSOPHY:

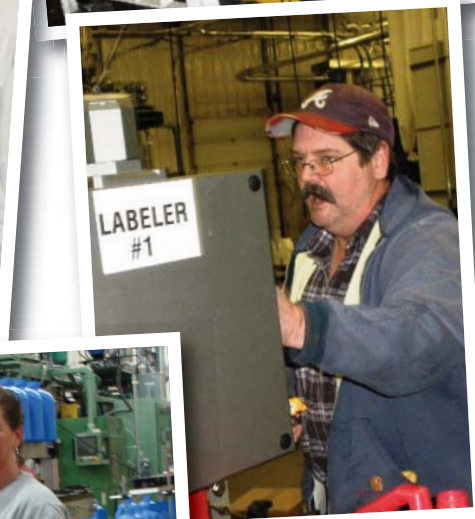

QUALITY, SERVICE & TECHNOLOGY

We believe the foundation for our success has been our focus on Quality, Service and Technology. Lee Container has built its reputation on exacting quality standards in everything we do. Our teams and Lee Container family of employees have a "Can do Attitude" when it comes to customer

service and we are always accessible in meeting our customers' needs. Our continuous wheel technology with calibrated neck finishes is unique in the packaging industry, and we continue to build on its success with the introduction of our next generation IR-4 wheel technology.
